

TAX CREDIT

MANUFACTURER'S CERTIFICATE OF QUALIFICATION (USA ONLY)

This is your proof that the Drolet product you have purchased qualifies for a tax credit. The credit applies to appliances purchased between January 1, 2025 and December 31, 2032.

YEAR	CREDIT %	QUALIFYING COSTS
2025 to 2032	30%	Equipment, venting, ducts & labor (capped at \$2,000)

SUMMARY: This document certifies that the biomass burning appliances listed below have at least 75% thermal efficiency per the higher heating value (HHV) of the fuel and comply with IRS tax guidelines for a consumer tax credit for the purchase of qualifying appliances.

The following products are "qualified biomass fuel property" for the purpose of the Internal Revenue Code (Section 25C, U.S. tax code). Homeowners should consult their tax advisor to determine whether they qualify for any potential income tax credits.
